

[Track My Ballot](#) was just turned on for local elections.

If you have not received a ballot in the mail, then you may vote at your precinct on Saturday.

If we have not received a ballot you returned, then you might be able to vote at your precinct. There may be a delay after you place your ballot in a drop box before we update the status from not returned to accepted.

2021 Early voting ballot tracking details:

Election Description	Ballot Mailed	Ballot Received	Status
4/10/2021 Local Election	First: 4/6/2021	Not returned	Not returned

2021 Absentee ballot tracking details:

Election Description	Ballot Mailed	Ballot Received	FWAB*	Status
4/10/2021 Local Election	First: 4/7/2021	Not returned		Not returned

If you requested a ballot in the mail, election workers will refer you to the Warden who will call the Clerk's Office. We have to verify your ballot's current status before authorizing you to vote. This is to allow for the time gap between when we print the voting list and when you arrive at the polls. If we accepted your ballot in that gap, you may not be able to vote.

Absentee Voters who arrive at the polls before the workers check your ballot in may be able to vote in person after being cleared by the Clerk's Office.

2021 Absentee ballot tracking details:

Election Description	Ballot Mailed	Ballot Received	FWAB*	Status
4/10/2021 Local Election	First: 3/23/2021	4/1/2021		Accepted

If your Early Voting Ballot has been accepted, then you do not have the option to vote in person.

2021 Early voting ballot tracking details:

Election Description	Ballot Mailed	Ballot Received	Status
4/10/2021 Local Election	First: 3/31/2021	4/8/2021	Accepted

Please be kind to the Election Workers. They are following election law. We all agree that treating Absentee and Early Voting ballots differently is confusing and hope it changes as voting laws evolve in Massachusetts. Look at the bold text "2021 Early voting ballot tracking details" to see which ballot you have.
